Special Announcements

Black History Month Celebration! Throughout the month we will celebrate Music, Instruments, and Books!!!

Talent Show – Twice a month we will have a classroom Talent Discovery Day! On these days we will explore and appreciate the not so obvious talents such as compassion, kindness, listening, love for reading and listening to stories, and friendliness. During the Talent Show our students will have the opportunity to demonstrate their talents.

Every Monday is Show & Tell Monday – This is an opportunity to learn public speaking and presenting in front of large groups. As well, as to learn to share our favorite items. We would appreciate **unexpected** items that are not toys.

Every Wednesday is Bring your Favorite Book Day! Reading is a big part of our classroom schedule and curriculum. This is a great opportunity to bring books to enjoy in the classroom throughout the week.

Every Friday is Veggie and Fruit Day- Bring either one or both! Your child's choice. We will serve fruits and veggies family style.
